

651 Youth for Justice

Work together to be heard!

651 Youth for Justice is working to build a community of practice with youth and youth workers to advocate for educational and racial equity in our communities.

Our mission is to amplify the voices of youth and ignite collective action.

We believe youth are integral to creating racially equitable education systems.

St. Paul Youth – Entering grades 9-12 & St. Paul Youth Workers Join Us!

For the first 651 Youth for Justice Forum where you will work with other youth and youth workers from St. Paul who care about racial equity and justice in our communities.
